Super Market

Recipe Of The Week

ROLL-THE-CAN ICE CREAM

1 cup heavy cream

1 cup half-and-half

1/2 cup granulated sugar

1 teaspoon vanilla extract

6 cups crushed ice

2 cups coarse salt

1/3 cup sliced, hulled and cleaned strawberries

Thoroughly clean a large and a small coffee can with lids. In smaller can, combine cream, half-and-half, sugar and vanilla. Cover with lid and place in the center of larger can. Pack 3 cups ice around smaller can along with 1 cup salt. Roll can back and forth across a hard, level surface for 10 minutes. With a spatula, scrape ice cream to center and stir in strawberries. Repack larger can with remaining ice and salt. Continue rolling until firm, about 5 minutes. Keep frozen.

Makes about one quart of ice cream.
